MORGAN C. FITZGERALD

Graduate Student at UC San Diego, Voytek Lab

(720) 352-6528 @ mofitzgerald@ucsd.edu

EXPERIENCE

Graduate Research Assistant
UC, San Diego

09/2022 – Present San Diego, CA

UC, San Diego, Department of Neuroscience, **Dr. Bradley Voytek**

- Investigating peripheral and central nervous system dynamics
- Co-developed electrocardiogram parameterization tool

Research Assistant
UC, San Diego Health

08/2020 – 09/2022

UC, San Diego Health, **Dr. Matthew Panizzon**

- First-author publication on sex-specific factors involved in migraine

Research Assistant
UC, Santa Barbara

03/2019 – 06/2020

UC, Santa Barbara, **Dr. Emily Goard-Jacobs**

- First-author publication on the effect of endogenous hormone fluctuations on the functional connectivity of the cerebellum

Research Assistant
UC, Santa Barbara

09/2018 – 03/2019

UC, Santa Barbara, **Dr. Scott Grafton**

- First-author publication on sex-specific factors involved in migraine
- publication on the effect of endogenous hormone fluctuations on the functional connectivity of the cerebellum

Sex Differences in Migraine: A Twin Study
Frontiers in Pain Research

Fitzgerald, M.C., Saelzler, U. G., & Panizzon, M. S.

2021 https://doi.org/10.3389/fpain.2021.766718

Cerebellar Network Organization Across the Human Menstrual Cycle
Scientific Reports

Fitzgerald, M.C., Pritschet, L., Santander, T., Grafton, S. T., & Jacobs, E. G.

2020 https://doi.org/10.1038/s41598-020-77779-4

AWARDS

Morgan Award for Research Promise

UCSB University Award of Distinction

EDUCATION

Ph.D., NEUROSCIENCE
UC, San Diego

09/2022 – Present San Diego

B.S., BIOPSYCHOLOGY
UC, Santa Barbara

09/2018 – 06/2020 Santa Barbara

SKILLS

Python | Data Wrangling | GitHub / Version Control | Data Visualization | MATLAB | RStudio | Microsoft Suite

MY TIME

- A Research
- B Coursework
- C Group & Individual Meetings
- D Professional Meetings & Conferences
